WOW! ACS CARS BASIC CARRIER SYSTEM HUNTER

Calibrate advanced driver assistance systems with WOW! ACS cars and Hunter wheel alignment quickly, easily and profitably!

WOW! ACS cars basic carrier system Hunter* Art. no. W074 200 001

Consisting of:

- Powder-coated calibration board holder (1.0 m to 1.85 m) as trolley with crossbar (incl. cable glands) for holding the HUNTER ADAS kit** and measuring scale for height adjustment
- Knurled screws (8 white, 8 black)
- Measuring tape
- Assembly instructions
- Installation aid for the correct installation of the HUNTER ADAS-Kit** mount

* Basic scope of delivery does not include double-sided printed calibration boards

** Hunter ADAS kit must be purchased separately through your Hunter distributor.

For the functional vehicle calibration, a WOW! diagnostic interface including a valid software license is required.
