WOW SOFTWARE – THE PORTAL TO WÜRTH

SHOW THE WÜRTH OR WOW WEBSITE OF YOUR COUNTRY

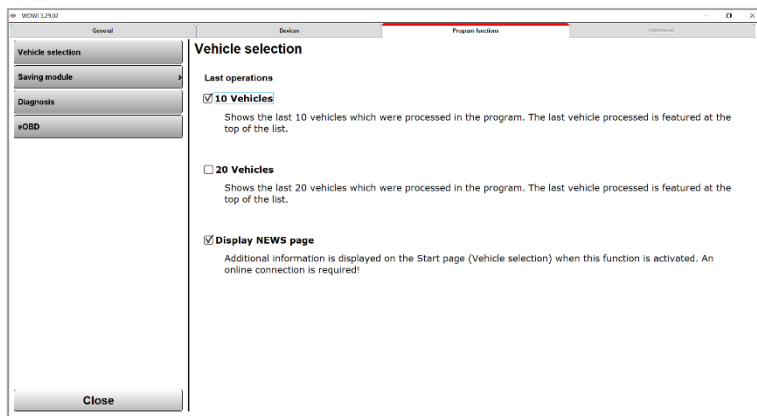

With WOW **5.29.02** we open the direct connection to your Würth and WOW partner.

The displayed website allows you to inform yourself comprehensively about new products of the Würth / WOW world or to visit the web shop!

WOW! NEWS

The "Last selected vehicles" can still be accessed via the button.

You can configure the vehicle selection page in the Settings / Program functions / Vehicle selection area and change it if necessary.

We hope you enjoy working with the WOW! Software and the WOW! **5.29.02** update and we wish you a relaxed working day.

Your WOW! team
